Dear Sir:

The Applicant, through its representatives and attorneys, pursuant to 37 CFR 1.56, 1.97 and 1.98, hereby submits the two documents identified on the attached PTO/SB/08 to be placed in the file of this allowed application. This application was allowed on July 20, 2006 as its first action on the merits of the pending claims.

When reviewing this file for accuracy and completeness, it was noted that the two documents identified in the specification at page 7 of the specification, referring to the related art mentioned at pages 1 to 6 and to Fig. 12 of this application, had inadvertently not been submitted. Because of the discussion at pages 1 to 9 of the specification as filed, the fact that Fig. 12 is prior art and now labeled as such, it is concluded that merely placing these documents in the file is sufficient.

No fee is believed to be needed because consideration of the documents is not here sought with petition, fee and certification.

A full machine translation of the non-English language references is enclosed.

A copy of only those references listed below is attached:

For. Doc No.	Ctry	Patentee/Applicant	Publication Date
09-046726	JP	Sony Corp.	February 14, 1997
10-191385	JP	Sony Corp.	July 21, 1998

A concise explanation of relevance of the items listed on form PTO/SB/08 is given in the specification as filed..

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 18-0013, under Order No. SON-2974. A duplicate copy of this paper is enclosed.

Dated: August 21, 2006

Respectfully submitted,
